

Dr. Ann Nguyen joined Siena Pediatrics in the summer of 2022! Dr. Ann's background and training sound impressive. Graduating from Western University COMP-Pomona for medical school and completing her pediatric residency at UNLV Kirk Kerkorian School of Medicine in Las Vegas demonstrates her commitment to pursuing a career in pediatrics.

Dr. Ann's positive and friendly disposition has undoubtedly made a positive impact on both you and your loved ones. Having a physician who is dedicated, approachable and compassionate can help create a comfortable and trusting environment for patients, especially children.
